## **Stage 4 Water Rationing Ended**

The City of Shenandoah is no longer in Stage 4 Water Rationing.

The City is now in Stage 1 Voluntary Conservation.

The City asks that all residents be mindful of their water usage and be aware that as the heat and drier conditions of the summer develop, further rationing may become necessary again.

The Water Department is continually evaluating the levels and performance of the wells and the demand upon the water supply.

The Water Conservation ordinance can be found on the City's website - <https://shenandoahiowa.net/>
