

PUBLIC NOTICE

NOTICE ON RESOLUTION PROPOSING THE AMENDMENT OF CHAPTER 90 WATER SERVICE SYSTEM SECTIONS 90.11

NOTICE is hereby given that a meeting of the City Council of Shenandoah, Iowa was held on June 10, 2025 and a Resolution adopted proposing the amendment of Chapter 90 to include the following:

The City proposes to amend Chapter 90 by the addition of Section 90.11. To read as follows:

90.11 INSTALLATION OF WATER SERVICE PIPE. Water service pipes from the water main to the curb stop shall be K copper tubing or polyethylene tubing. Pipe tubing must be laid sufficiently with waving, and to such depth, as to prevent rupture from settlement and freezing. If polyethylene tubing is used, tracer wire must be attached to the tubing and properly installed to provide access for locating of the polyethylene tubing. Polyethylene tubing and tracer wire placement must be inspected by the water superintendent before the tubing is covered.

This Notice is given pursuant to the direction of the City Council of the City of Shenandoah, IA.

The City Council of the City of Shenandoah, Iowa, will hold a Public Hearing at its regular meeting of the City Council on Tuesday, June 24, 2025 at 6:00 P.M. in the Council Chambers of City Hall Shenandoah, Iowa to consider the amendment of Chapter 90.

Karla Gray  
City Clerk/Treasurer  
City of Shenandoah, Iowa
